

## Mandomata Nudist Beach

### Mandomata Nudist Beach

Located between Kathara & Anthony Quinn beach  
85100 Faliraki  
[www.faliraki-nudist.gr/](http://www.faliraki-nudist.gr/)  
Lat: 36.197790  
Long: 28.126790

At the edge of Faliraki resort lies the nudist beach, also known locally with the name "Mantomata".

One of the quietest beaches of Faliraki. A unique gulf with natural beauty, remarkable golden sand, protected by the surrounding heights that nature has provided, which encapsulate the beach. The beach is organised with umbrellas, sun-loungers, showers, WC and a canteen for food and beverages.

Awarded with the Blue Flag, Faliraki nudist beach doesn't only provide visitors with clean swimming waters,

but covers 32 in total points and criteria. Such features include cleanliness, organisation, information, visitors discretion and security, and environmental awareness and protection.
