Maximum stay = 5 nights

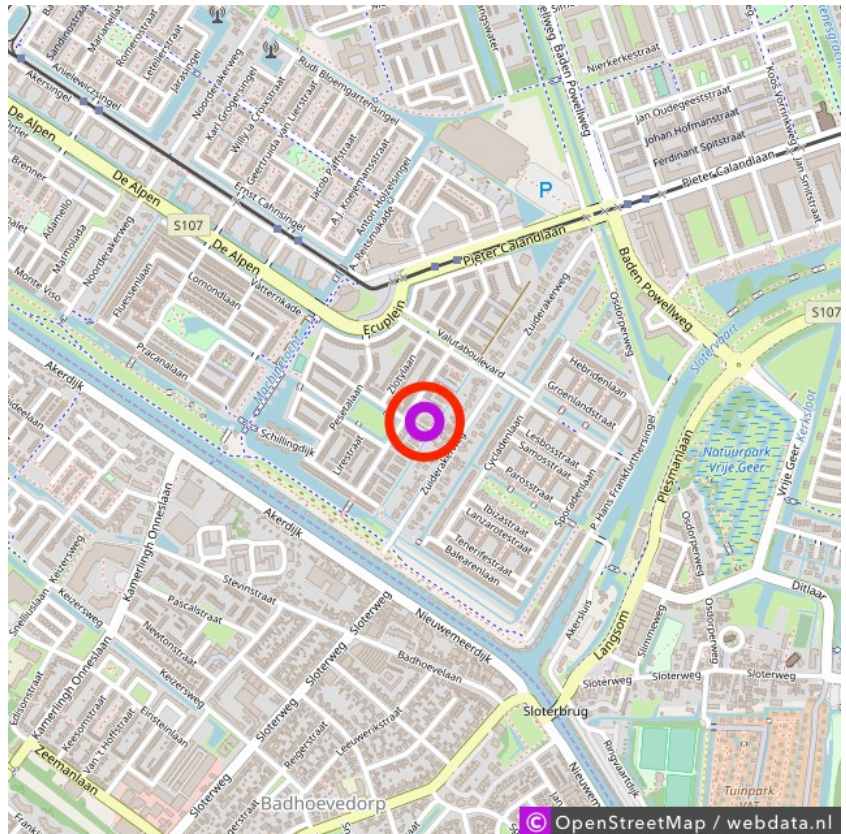

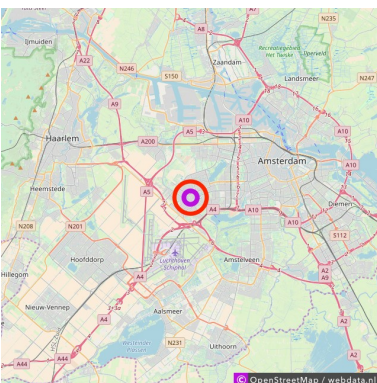

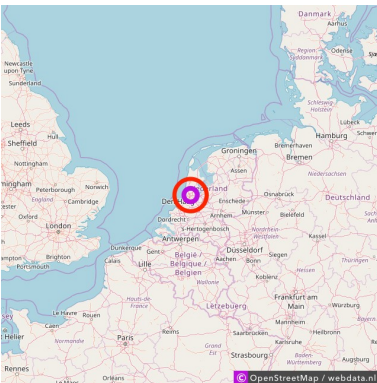

My house is in a very quiet area, so it is the perfect place to catch up some sleep.

In summer you can use the terrace to enjoy the sun naked.

Enjoy a peaceful sleep in a private bedroom. Escape the crowd for the night. Breakfast included. Only 8 km from the city center. Good connection to city center and airport.

Interaction with Guests:

It is my pleasure to give you any advice you need.

The Neighborhood:

'Osdorp de Aker' is a quiet residential area. I live near Ecuplein.

Jumbo Supermarket, small shopping center, snackbar and Italian restaurant at 450 meter.

Getting Around

Free car parking in this area!

Tram line 1 at 450 meter. This line runs frequently (up to 10 times per hour) and brings you to all the main areas of interest within half an hour.

During the night is a nightbus (line 753) that runs once per hour.

I live close to Amsterdam Schiphol Airport. During the daytime you can get to my place by train and tram in less than one hour for about 6 euro. A taxi from the Airport to my house will cost about 35 euro.

If you order a taxi from my house to the airport online, it will cost about 25 euro. You will need a taxi if you have to early at the airport. Check 9292.nl and google maps for public transport information. Use Ecuplein for my location.

Other Things to Note:

I am a freelance photographer. This means I work irregular hours. I will try to addept my schedule to your requested check in and check out times, but I also ask your flexibility in case I am not available at the time that suits you best.

If you need to leave the house very early, please accept to make the breakfast yourself. All ingredients will be ready for you.
